WORK EXPERIENCE

The Vision House

MIS Executive · Jaipur — Telecom Consultancy & Project Management (Civil & Electrical) · April 2019 – Present

- Excel-based costing, billing and MIS: formulas, VLOOKUP/HLOOKUP, macros, pivot tables
- Daily/monthly report analysis and coordination across internal teams
- ERP operations on Vision Cloud — documents, inventory, expenses, invoicing, payments
- GST & TDS reporting, ledger reporting and project tracking
- GRNs, stock transfer/return notes, journal vouchers, credit/debit notes
- Daily ERP MIS and galvanizing reports for the Plant Head, plus monthly plant costing MIS
- Vendor/supplier purchase-sales data and complex data analysis across projects

Apsara Ice Cream Parlour

Cashier · Jaipur · October 2018 – March 2019

Transaction Management

- Operated the cash register, processing sales transactions efficiently and accurately
- Handled cash, credit and debit card payments while adhering to company policies
- Issued receipts, refunds, credits or change due to customers

Customer Engagement

- Greeted customers warmly and provided friendly, attentive service during their visit
- Addressed customer inquiries and resolved issues promptly and professionally
- Promoted loyalty programs and ongoing promotions to enhance customer engagement

Cash Handling & Reconciliation

- Maintained an accurate cash drawer, ensuring all transactions were entered correctly
- Conducted cash drops as needed, following all cash handling procedures
- Performed cash register reconciliations at the start and end of each shift to minimize discrepancies

Inventory & Stock Management

- Assisted with restocking shelves and organizing merchandise as needed
- Reported low inventory levels to the supervisor and assisted in inventory counts

Store Maintenance

- Kept the checkout area clean, organized and free of clutter for a pleasant customer experience
- Ensured promotional materials and signage were displayed correctly at the register

Compliance & Procedures

- Followed all safety and security protocols to ensure a safe shopping environment
- Adhered to company policies and procedures, including cash handling and customer transactions
